### CALTRANS CLOSES SOUTHBOUND 99 IN FRESNO COUNTY

<b>WHO:</b>	The California Department of Transportation (District 6) announces temporary closures on State Route 99 southbound in Fresno County.
<b>WHAT:</b>	Due to construction of structures for State Route 180 West in Fresno County, falsework will be installed temporarily on State Route 180 West. This will require the closure of State Route 99.
<b>WHEN:</b>	Southbound State Route 99 Closures. – 9 P.M. to 5 A.M. Monday – June 3, 2002 Tuesday – June 4, 2002 Wednesday – June 5, 2002
<b>DETOUR:</b>	Construction crews will close southbound State Route 99 at the State Route 180 East Junction. Traffic will be detoured on eastbound State Route 180 to southbound State Route 41 and back to State Route 99 South.
<b>DETOUR:</b>	<p>Expect 30 to 60 minute traffic delays. Caltrans will make every effort as possible to minimize inconveniences to the traveling public, businesses and residents during this construction phase of this project. These closures will be done during non-peak hours (late evening and early morning).</p> <p>Changeable Message signs will be activated in the following counties, in addition, Highway Advisory Radio</p> <ul style="list-style-type: none"><li>• Merced County on State Route 152</li><li>• San Joaquin, Madera and Fresno Counties on State Route 99</li></ul> <p><b>In addition, Highway Advisory Radio (HAR) will also be available in designated traveling areas to alert motorists of southbound State Route 99 closures.</b></p>
